HOMEWORK

Create a Console Application

that asks the user

for their name.

Welcome me (Tim) as professor

or

anyone

else

as student.

Do this until the user types "exit".

```
string firstName;

do
{
    Console.Write("Hello User! What is your first name? ");
    firstName = Console.ReadLine();

    if (firstName.ToLower() == "tim")
    {
        Console.WriteLine("Welcome Professor");
    }
    else if (firstName.ToLower() != "exit")
    {
        Console.WriteLine("Welcome Student");
    }

} while (firstName.ToLower() != "exit");
```
